

EXPLORE ARKTIKUM: HIGHLIGHTS FOR CHILDREN

Explore Arktikum

1. Rotate the Earth:
Where does the Sun shine in summer
and winter?
2. Peek under the surface:
Many animals swim in the Arctic Ocean.
3. Animal tracks: Who walks here?
4. Paint the northern lights:
What colors can you find?
5. Build an igloo:
How many blocks can you stack?
6. Listen to the animal sounds:
what does the Siberian Jay sound like?
7. Warming campfire in the winter hut:
can you spot the willow grouse in the snow?
8. The crowned head of the forests:
Finland's largest animal is good at swimming!
9. Look around:
how many animals can you
see from one spot?
10. Medieval Rovaniemi:
what kind of activities are happening
in the village?
